

List of supported Internet browsers

For this online service, we recommend that you use one of the browsers below.

We support the two most recent versions of the following browsers.

Windows:

- [Google Chrome](#)
- [Firefox](#)
- [Microsoft Edge](#)
- [Safari](#)

Macintosh:

- [Firefox](#)
- [Safari](#)

Note: Some areas of our site may require the use of Macromedia Flash or Adobe Acrobat Reader. Other browsers and operating systems may work effectively; however, we do not test against them and therefore your experience may vary. We regularly monitor and test browsers to ensure the highest security standards.
